GPHAP Activities

We are excited to kick off the week and this year's activities with the **Brown Fellows Panel** on Tuesday, October 25 from 12:30 PM – 1:30 PM at **Harris School of Public Policy**. This panel will feature 2nd year GPHAP students who will talk about what they did this past summer. This will give 1st year students some ideas of what you may want to do this summer. It is a great way to catch up and reconnect. If you RSVP, then lunch will be served. If you did not RSVP, you are still welcome to attend and have lunch if there are any left!

GPHAP Students Have Posters Accepted!

Congrats to GPHAP students Justin Mun (Crown) and Cindy Turner (Harris) for having their posters accepted for the **UChicago Center for Chronic Disease Research and Policy Conference!**

Come see their posters on Tuesday, Oct 25th at the Poster Session, or better yet, attend the entire conference on Tuesday (see additional details in Previously Listed Events section). The conference looks great and is being held at a NEW space on the UChicago campus...**The Study** at University of Chicago (1227 East 60th St). The Study is near Harris, so check out the Conference **and** the Brown Fellows Panel on Tuesday!

The Posters will be on display for the entire conference, from 8:30 am – 2:00 pm. **The Poster Session is at 1:00 pm.**
