Co-Curriculars Due Date & FAQs

Fall co-curriculars are due at the end of Fall Quarter on **December 16, 2022**.

Here are some answers to frequently asked questions (FAQs) about GPHAP co-curriculars:

How many co-curricular activities (health related events) am I required to attend?

GPHAP students are required to attend 3 co-curriculars per quarter, or a total of 18 healthcare-related events outside their regular courses. Part-time students, joint degree students, and Pritzker global health track students who will be with GPHAP for more than 2 years may spread their 18 co-curriculars over a longer period of time.

What qualifies as a health-related event?

Many events qualify as health-related co-curriculars. The objective of this requirement is to encourage students to take advantage of the numerous opportunities on and off campus, to enhance student engagement in the program, and to provide an incentive for students to expand their knowledge base and contacts outside the classroom. **Qualified health-related events are listed each week in the GPHAP Weekly Digest**, but other health-related events can also count. *If you have questions about an event, email lbotwinick@uchicago.edu to ask if a particular event can count.*

How do I document my attendance/participation in health-related events?

GPHAP students must **write a short reflection on the event you attended (approx. 250 words)** indicating the name, date, place and participants of the event; a description of what the event was about; and your general impressions about the event. Don't feel you have to write a comprehensive summary of the event; simply note your key take-a-ways, impressions, and possibly critiques and/or questions that you have for future exploration.

What if I attend an all-day conference?

All-day conferences or multiple-day conferences count as 2 co-curriculars if your summary discusses at least two of the one-hour speaker/panel discussions. Your reflection can be only 250 words. Load up your reflection on the GPHAP Canvas site twice.

What the 2022 Midterm Results Might Mean for Healthcare

Wondering what the midterm elections might mean for health care? Check out [this article](#) on Health Affairs Forefront.

Free After-Hours Parking at Campus North (Ellis) Garage

Beginning this Fall Quarter, members of the University community with an active UChicago ID can park free after hours at the Ellis Avenue

Who do I submit my Event Synopsis to and when are they due?

Please upload your summaries as you complete them, or in batches of 3 for the quarter to the GPHAP Canvas site in the Assignments section. Co-curriculars are due by the week after the official end of each quarter.

How do I find out if I am up-to-date in fulfilling this requirement?

Check the Canvas site to see your progress. Keep a list of your co-curriculars, as you will be asked to list them on your final GPHAP Audit Form when we check to make sure you have completed all the components required to earn the GPHAP Certificate.

Recorded Lectures

Many of the lectures listed in the GPHAP Weekly Digest are recorded and archived for later listening. You can look back to see if there are recent lectures that interest you, and they can count as GPHAP co-curriculars. Here are links to archived lectures.

CHAS Michael Davis Lectures
<https://chas.uchicago.edu/events/mdl/>
 MacLean Center for Clinical Medical Ethics lectures
<https://www.youtube.com/user/MacLeanCenter>

parking facility located at 5505 S Ellis Ave. Current UChicago ID holders can use their ID cards to enter the Ellis Garage **between 5 p.m. and 3 a.m., 7 days a week**. Those who access the garage after hours without a parking permit will be required to exit the facility no later than 7 a.m. each day or be subject to daily parking fees.

Lyft Ride Smart at UChicago

Lyft Ride Smart at UChicago offers students 10 free rides per month (up to \$15 off per ride) on all evening and late-night rides **within the service area** during the program hours. Program hours are seven nights per week between 5 p.m. and 4 a.m. This program is available to all currently enrolled students as long as funding permits. The service area is from 48th Street on the North to 64th Street on the South, and S. Cottage Grove on the West, and the Lake on the East. There is also a stretch of coverage that goes down Garfield Blvd to I-90. See details of the program at this [link](#).

The info at the link says that early in the Autumn Quarter, all currently enrolled students were sent an invitation at their official UChicago email account from Lyft Business. Can't find the email or have other questions? Please contact bus@uchicago.edu.
