MLK Celebration

“Of all the forms of inequality, injustice in health is the most shocking and inhuman.”

- Dr. Martin Luther King, Jr.

In honor of Dr. Martin Luther King, Jr., the University of Chicago is hosting a celebration on Monday, January 23, 2023 at 6:00 PM CST. The keynote speaker is former Attorney General of the United States, Eric H. Holder, Jr. followed by Valerie Jarrett, CEO of the Obama Foundation. The celebration will take place at the Rockefeller Memorial Chapel (5850 South Woodlawn Avenue). [Register here!](#)

2023 Healthcare Industry Outlook | Avalere

Avalere Health is a health care consulting firm based in Washington, DC. They are hosting this webinar on the healthcare outlook for 2023. The session will likely in part be a pitch to gain customers, but the content might be of interest to GPHAP students, and you might like to get exposure to this firm and its [website](#). There is much useful information on their website. They promote the session with this description, "The Inflation Reduction Act (IRA) includes several landmark healthcare provisions that will affect your business strategy while you also navigate changes in value and evidence requirements, the 340B program, the end of the public health emergency, and more. Now is the time to gain clarity on your organization's approach."
