Event Spotlight

2024 Chicago Booth
Healthcare Conference

HCG
Healthcare Group

CHICAGO BOOTH 

Health at what cost?

Saturday, February 24, 2024

Gleacher Center 450 Cityfront Plaza Dr, Chicago, IL 60611

University of Chicago Booth School of Business Healthcare Group (HCG) would like to invite you to our annual Healthcare conference on [Saturday, February 24, 2024!](#)

Healthcare - at what cost? is the title of this year's conference. In a period marked by healthcare innovation, this conference will dive deep into the critical challenges posed by tradeoffs in artificial intelligence, the Inflation Reduction Act, and enhanced antitrust scrutiny facing healthcare. Join us and discover how these forces are shaping the delicate equilibrium between cost of care, quality of outcomes, and a positive patient experience: healthcare's triple aim.

Date: Saturday, February 24, 2024

Time: 9AM - 6PM CST

Location: Gleacher Center, 450 Cityfront Plaza Dr, Chicago, IL 60611

GPHAP Alumni Mentors

We will make assignments based on those students who have responded and then send out the list again for Round Two.

Thanks to the Booth Healthcare Group, GPHAP has a special rate of \$25 for GPHAP Students. GPHAP will cover this for you **IF** 1) you actually attend the conference, and 2) you do the 250 word write-up and submit it as a co-curricular.

Since it is an all-day conference, the event can count as two co-curriculars as long as you write up at least two of the one-hour sessions. You can write about both of the sessions or as much of the conference and your experience there as you want in 250 words and load it up twice as two co-curriculars on the GPHAP Canvas site.

HOW: If you would like to take advantage of this opportunity, email me at lbotwinick@uchicago.edu to let me know you would like to have a ticket. We have a budget for 10 tickets for each participating school. Please respond by this Friday, Feb 2 at 11:59 pm if you would like to be in the lottery for a ticket. Once we have determined who gets tickets, I will send you a special link to register. We ask that you pay the \$25 registration fee up front and then GPHAP will reimburse you after you attend the conference and load up your co-curricular write-up(s). If anyone has difficulty covering the registration fee, let me know and we can cover the upfront cost. If you do not get one of the lottery free tickets, you can still purchase a ticket for \$25. I will provide you the link to purchase the ticket at that price.

This is always a great conference, and there are lots of opportunities for networking. We hope you will take the time to attend!

See more information about the conference here: <https://cglink.me/2cu/r1928775>

News You Can Use

Message from the President of the Commonwealth Fund: Navigating a Sea of Change in Health Care: By [Joseph R. Betancourt, M.D., M.P.H.](#)

January 24: This article highlights how primary care, once the stable foundation of our health care system, found

itself in a precarious position, like a worsening patient moving from the hospital bed to the ICU. Declining access to primary care, coupled with workforce shortages, has made the condition — and prognosis — critical. The behavioral health crisis finally received long-needed attention and resources, yet especially among young people, it showed no signs of abating. And New York City, like much of the U.S., experienced a day straight out of an apocalyptic sci-fi movie when wildfire smoke drifted in from Canada, providing a stark reminder that climate change is real and worsening. Private equity in health care slowly moved from the shadows to the spotlight, raising new questions about whether “value” is really aligned with patients’ well-being.
