

# Faculty Friends and Family Program

---

## Overview

Our Faculty Friends and Family Program assists with appointment facilitation and any special needs that may arise. The navigation team is honored to assist UCM faculty colleagues with their health care needs.

## Offering

The **Faculty Friends and Family Program** offers for our faculty partners:

- One seamless, convenient contact for appointment facilitation
- Team availability by phone or e-mail, with same business day response
- Medical records procurement, as needed
- Any additional support required

## How to Access Care with the Faculty Friends and Family Program

Faculty members would reach out to the Friends and Family Program navigators by phone or e-mail.

**Phone: 773-834-9888**

**Team e-mail: [facultyfriendsandfamily@uchospitals.edu](mailto:facultyfriendsandfamily@uchospitals.edu)**

After gathering pertinent information, the assigned navigator will find appointment options that are most convenient. After selecting the appointment time that best fits, the team will confirm pertinent details by e-mail and lend any other assistance that may be required.
