

Mentoring: Not Cloning, Not Supervising

Keith Yamamoto, PhD

Professor, Cellular Pharmacology

Vice Chancellor, Science Policy

University of California San Francisco

Thursday, Nov. 14, 11:00 am - Noon

Gordon Center for Integrative Science

929 E. 57th Street, Room 301/303

Dr. Keith R. Yamamoto is vice chancellor for science policy and strategy, director of precision medicine, and professor of cellular and molecular pharmacology at UCSF. He has led or served on numerous national committees focused on public and scientific policy, public understanding and support of biological research, and science education. He has chaired or served on many committees that oversee training and the biomedical workforce, research funding, and the process of peer review and the policies that govern it at NIH.

RSVPs requested, walk-ins welcome: <https://mC-mentor19.eventbrite.com>
