

Our Land Our Health: What is on the Horizon for Calumet?

Thursday, August 9th from 6pm to 8PM

SETF Office, 13300 S. Baltimore Ave

Please join SETF and researchers Janet Smith and Dan Persky from University of Illinois at Chicago to discuss environmentally-friendly economic development in the Calumet Region. Get answers to important questions about how our land is being used, new industry coming to the region, and the impact on our environment. All are welcome.

Refreshments will be served.
