Washington, DC
Sunday, June 26th –
Friday, July 1st, 2022

As a global forum for networking and sharing advancements in cutting edge science and technology since its inception in 1956, this biennial symposium has focused on research and development in fluid mechanics as they relate to naval hydrodynamics.

Come join the excitement and have the opportunity to network and recruit directly from highly regarded professionals, scientists, and students in the field!

If your organization is interested in sponsoring the symposium or one of the social/program events, please email *Megan Wynn, Associate Director, Corporate Relations* at megwynn@gwu.edu.

Please see available options below:

Gold Sponsor \$15,000

- Access for a total of 3 staff members and a recruiting booth in a prominent location near the coffee break area
- Access to a private room to conduct interviews on the spot
- Ability to sponsor or co-sponsor a lunch or breakfast

Silver Sponsor \$7,000

- Access for a total of 2 staff members and a recruiting booth
- Opportunity to display posters throughout the venue on GWSEAS campus during the symposium.

Bronze Sponsor \$3,000

- Listed as a symposium sponsor on marketing materials

Social/Program Events

- \$12,000—Opening Reception
- \$20,000—Farewell Reception
- \$35,000—River Tour and tour of George Washington's Mt Vernon Estate
