

# Computer Science B.A. Degree 2019-2020 Curriculum Chart

**1. Students must complete *three* courses from this Breadth list:**

- |  |   |   |
|--|---|---|
| <p>CSE 102 Introduction to Analysis of Algorithms<br/>         CSE 103 Computational Models<br/>         CSE 110A Compiler Design I<br/>         CSE 112 Comparative Programming Languages<br/>         CSE 115A Introduction to Software Engineering<br/>         CSE 120 Computer Architecture</p> | <p><b>[One of:</b> CSE 130 Computer Systems Design <b>OR</b><br/>         CSE 131 Operating Systems]<br/>         CSE 132 Computer Security<br/>         CSE 138 Distributed Systems<br/>         CSE 140 Artificial Intelligence</p> | <p>CSE 142 Machine Learning<br/>         CSE 143 Natural Language Processing<br/>         CSE 160/L Computer Graphics<br/>         CSE 180 Database Systems</p> |
|--|---|---|

Breadth Elective <hr style="width: 80%; margin: 0 auto;"/>	Breadth Elective <hr style="width: 80%; margin: 0 auto;"/>	Breadth Elective <hr style="width: 80%; margin: 0 auto;"/>
---	---	---

**2. Students must complete *four* additional 5-credit (or more) upper division Computer Science and Engineering (CSE) elective courses selected from all 5-credit (or more) upper division CSE courses numbered below 170 or between 180-189, or CSE 195.**

➤ Students may substitute *two* of these upper division Computer Science and Engineering electives with courses from the list on the back of the chart.

Upper Division Computer Science Elective <hr style="width: 80%; margin: 0 auto;"/>	Upper Division Computer Science Elective <hr style="width: 80%; margin: 0 auto;"/>	Upper Division Computer Science Elective ➤ <hr style="width: 80%; margin: 0 auto;"/>	Upper Division Computer Science Elective ➤ <hr style="width: 80%; margin: 0 auto;"/>
---	---	---	---

**Disciplinary Communication**

Students of every major must satisfy that major's upper-division Disciplinary Communication (DC) Requirement. The DC Requirement for the Computer Science B.A is satisfied by completing one of the following courses. **The DC course can also satisfy an upper division elective.**

- CSE 115A Introduction to Software Engineering  
*(CSE 115A can satisfy DC and Breadth Elective)*
- CSE 104 & CSE 104W\*\* Computability and Computational Complexity
- CSE 185S Technical Writing and Communication in CS
- CSE 195 Senior Thesis
- ♦ CSE 185E Technical Writing for CE

**Capstone Courses**

Many Capstone course options require additional prerequisites not already required in major requirements. Advance planning is crucial. **The capstone course can also satisfy an upper division elective.**

- CSE 110B Fundamentals of Compiler Design II
- CSE 115C Software Design Project III
- CSE 118 Mobile Applications
- CSE 121/L Microprocessor System Design / Lab
- CSE 138 Distributed Systems
- CSE 140 Artificial Intelligence
- CSE 143 Introduction to Natural Language Processing
- CSE 144 Applied Machine Learning
- CSE 156/L Network Programming / Lab
- CSE 160/L Introduction to Computer Graphics / Lab
- CSE 161/L Introduction to Data Visualization / Lab
- CSE 162/L Advanced Computer Graphics and Animation / Lab
- CSE 163 Data Programming for Visualization
- CSE 168 Introduction to Augmented Reality and Virtual Reality
- CSE 181 Database Systems II
- CSE 183 Web Applications
- CSE 184 Data Wrangling and Web Scraping
- CMPM 172 Game Design Studio III
- ECE 118/L Introduction to Mechatronics / Lab

**Comprehensive Requirement** - Students have two options to fulfill the Computer Science exit requirement:

1. Pass one of the Capstone Courses (which can also fulfill an elective requirement, see Capstone Courses list →)
2. Successfully complete a Senior Thesis.

\* Check catalog/SOE course descriptions for additional prerequisites.  
 ∞ CSE 13S is recommended for students pursuing a Computer Science major  
 \*\* In order for these courses to satisfy the DC requirement, the W section must be completed.  
 ♦ CSE 185E enrollment restricted to majors in Computer Engineering, Bioengineering, Bioinformatics, Biomolecular Engineering and Bioinformatics, Robotics Engineering, and Network and Digital Technology

### Upper Division Elective List

- ◆ **Any 5-credit upper division course offered by the Baskin School of Engineering** except those numbered 191 through 194 and 196 through 199. *(CMPM, AM and STAT courses strongly recommended.)*
- ◆ **Any 5-credit upper division course from the Division of Physical and Biological Sciences** except those numbered 190 and above. *(MATH, PHYS, CHEM and BIOL courses strongly recommended.)*
- ◆ **ART 120/121** Intermedia I/II
- ◆ **ARTG 118** Digital Drawing/Painting for Game Design
- ◆ **ECON 100M** Intermediate Microeconomics, Math Intensive
- ◆ **ECON 100N** Intermediate Macroeconomics, Math Intensive
- ◆ **ECON 101** Managerial Economics
- ◆ **ENVS 115A/L** Geographic Information Systems and Environmental Applications
- ◆ **FILM 170A** Fundamentals of Digital Media Production
- ◆ **LING 112** Syntax I
- ◆ **LING 113** Syntax II
- ◆ **LING 118** Semantics III
- ◆ **LING 125** Foundations of Linguistic Theory
- ◆ **MUSC 123** Electronic Sound Synthesis
- ◆ **MUSC 124** Intermediate Electronic Sound Synthesis
- ◆ **MUSC 125** Advanced Electronic Sound Synthesis

- **All students admitted to a School of Engineering major, or seeking admission to a major, must take all courses required for that major for a letter grade.**
- Courses in which you receive a grade of C-, D+, D, or D- earn credit toward graduation, but cannot be used to satisfy a major requirement or a general education requirement, and cannot satisfy a prerequisite for another course.
- Shaded boxes represent foundation courses. Major qualification requirements for this major can be found at:  
<https://undergrad.soe.ucsc.edu/major-qualification>
- Many graduate courses can also be used to satisfy electives; however, students will need instructor and department approval.
- The School of Engineering has different major declaration deadlines than the UCSC Academic/Administrative calendar. Our deadlines and process can be found on: <http://undergrad.soe.ucsc.edu/declare-your-major>
