

Propose

In order to declare the Applied Math major, your proposed major in MyUCSC must be within the Division of Physical and Biological Sciences or Baskin Engineering.

You are not required to have your proposed major in MyUCSC listed as Applied Math in order to declare the major. However, it is recommended.

Being a proposed major allows students to:

- * be connected to advising.
- * receive important communications.
- * gain access to enrolling in some major courses that may be restricted to proposed majors.

Qualify

Complete **all** of the major qualification courses no later than the end of your **5th quarter** at UCSC to declare.

Major Qualification Courses:

MATH 19A or MATH 20A
MATH 19B or MATH 20B
AM 10 or MATH 21
AM 20 or MATH 24
AM 30 or (Math 23A and Math 23B)

Complete **all** of the major qualification courses no later than the end of your **5th quarter** at UCSC to declare.

Have no more than one non-passing (below C) grade in major qualification courses. Repeating a class replaces the grade in your GPA but will still count toward the nonpassing grade total.

Make sure to take all classes you are using for major requirements for a letter grade!

Declare

Declare your major no later than your 6th quarter at UCSC.

• Visit <https://undergrad.engineering.ucsc.edu/advising/declare-your-major/> to see the steps to the major declaration process.

The Baskin Engineering declaration process requires an early start! Be sure to visit the website and start the declaration process within the **first 2 weeks** of the quarter you are declaring! *Don't wait for the deadline!*
