

# Electrical Engineering Minor 2024-2025 Curriculum Chart

**Elective Requirements:** In addition to the above, EE minors must complete at least 15 units of upper-division or graduate-level engineering courses from one track, plus at least 15 additional credits of upper-division or graduate courses from the link below. All of the upper-division electives must come from the same concentration. **Most, if not all elective courses have additional pre-requisites. They are subject to change frequently. Please visit <https://undergrad.engineering.ucsc.edu/curriculum-charts/>.**

**Elective 1:**

---

**Elective 2:**

---

**Elective 3:**
