Teaching & Learning Center

The TLC uses research and equity-minded practices to strengthen the culture of teaching, and promote student success and equitable outcomes. We collaborate with various partners to inspire the exploration of innovative and accessible teaching practices and technologies that advance equity, foster deep learning, and increase student engagement.

Assessment for Learning Excellence & Equity Center

Our mission is to support the continuous improvement of teaching and learning by partnering with UCSC faculty, departments, and learning support programs to assess student learning with an equity-minded approach, foster a culture of assessment, and develop evidence-based best practices.

Academic Personnel Office

The mission of APO is to facilitate the recruitment, appointment, advancement, and retention of the most qualified and diverse faculty and academic appointees possible, while also providing leadership and oversight of academic policy and procedures.
