

Wednesday, October 23, 2024
Any time between 3:30PM – 6:00PM
Christa McAuliffe Center
Framingham State University

See Yourself in the Green Workforce

Explore, Share & Network!

Students meet with local employers and sustainability organizations to:

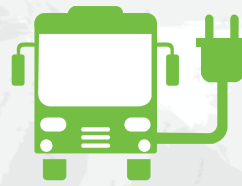

- Explore** a wide range of emerging job opportunities in the green sector
- Share** skills and interests and learn how they support the needs of the green workforce
- Network** with green sector professionals and like-minded youth

Improve energy efficiency

Advocate for green initiatives

Transition to green transportation

Promote clean energy

Minimize waste

Protect ecosystems

Support marketing and finance

Turn your passion into your future profession!
