

SPECIAL MASS STEM WEEK 2-HOUR WORKSHOP

Calling all  aspiring engineers ages 9 and up!

In honor of STEM Week, we're hosting a special 2-hour hands-on robotics workshop.

WHEN:
TUESDAY, 10/22
5-7 PM

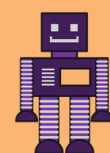

Dive into the exciting world of STEM as students:

- **Hands-On Learning:** Gain practical experience with essential tools and techniques.
- **Programming and Challenges:** Learn the basics of programming, tackle exciting programming challenges, and watch your robot navigate on its own.
- **Competition Finale:** Put your skills to the test in a fun competition at the end of the workshop!

Space is limited to 30 students—don't miss out on this exciting opportunity!
