Dear Mr. Barney:

On behalf of the Commission on Public Schools, I am pleased to submit the final version of the Collaborative Conference Visit Report, which you have discussed with the chair, Ellin Booras, in its draft form.

This Collaborative Conference Visit Report reflects the findings of the school's Self-Reflection and those of the visiting team. It provides a blueprint for the faculty, administrators, and other officials to use to improve the quality of programs and services for the students of the school.

The Commission urges school officials to use the results of the Collaborative Conference Visit Report as well as the school's identified priority areas for growth to draft a school growth and improvement plan and to review and implement the findings of the Self-Reflection and valid recommendations identified in the Collaborative Conference Visit Report. The faculty, school board, and superintendent should be apprised by the building administrators yearly of progress made in addressing visiting team recommendations.

I would like to commend you for your school's dedication to continuous improvement through the NEASC Accreditation process. Please feel free to contact me with questions or concerns as they arise.

Sincerely,

A handwritten signature in black ink, appearing to read 'W. Wehrli'.
