

# 2023 Math Summer Reading Juniors

## Fermat's Enigma Simon Singh

- The math summer assignment is due on the first day of classes. You should upload your document as a pdf to the math Canvas page before 7:30 AM on Wednesday August 16, 2023. Information for joining Canvas will be emailed to you prior to the start of school.
- You must submit a reflection essay discussing your impression of the book. You can comment on the author's writing style, the history of the Riddle, or a topic or problem you found interesting. The reflection should average between 500-750 words (roughly 1 to 1.5 pages).
- Be prepared for small group and full class discussions regarding the book during the first week of school.
