

MS Degree Competency Waiver Form

A waiver will be granted if you can demonstrate graduate-level experience in a particular area either through a prior degree, project/thesis topic, or work experience. Complete this form to document how you have met a particular core competency for the Master of Science Degree. (This form is not required for competencies that are met through WPI graduate coursework or project/thesis).

Select Core Competency:

- Mathematics
- Life Science
- Clinical Needs
- Regulation/controls
- Value creation

Please explain how you met the competency requirement:

Student (print name)

Signature

Date

Graduate Committee (print name)

Graduate Studies Committee Approval

Date
