## **Questions:**

**Chair Burns** asked if they have reached out to photography club

*Answer:* They plan to reach out to the club and ask them about hiring them for the event.

**Parliamentarian Rosenthal** asked if they are using the SGA budget for this

*Answer:* Yes it will be used

**Senator Eroglu** asked how many people came last time

*Answer:* 300-500 people

**Senator Eroglu** asked if they are charging for tickets

*Answer:* yes \$5 for student and either \$10 or 20 for outside guests

**Chair Keang** asked where the ticket profits go

*Answer:* The profits go to the next BSU exec to utilize for events

**Parliamentarian Rosenthal** informed BSU that tickets have to be used to offset events

**Senator Krizan** asked if the fundraising they did is supplementing the other stuff in the budget

*Answer:* yes

**Senator Eroglu** asked if the \$9000 going towards fashion show

*Answer:* yes

## **Discussion:**

**Senator Eroglu** asked if we could please put up the extensive cost breakdown

**President Wilde** announced that this presentation can also be seen in the agenda email sent by Secretary Cocchiaro

**Senator Gyurcsan** asked if according to bylaws they can charge ticket prices

*Answer:* **Parliamentarian Rosenthal** said yes but it has to go back to offset cost, the club cannot profit off of the ticket prices

*The mission of SGA is to improve the quality of the undergraduate student life at the University both academically and socially by addressing student needs and concerns, providing financial structure of WPI's student clubs and organizations, and representing the student body in a professional manner.*

**Chair Gopal** asked if the financial request should be less due to ticket costs?

Answer: **Vice-President Zeolla** explained that the ticket profits only matter when it comes to reimbursing

**Senator Watson** asked if they can charge people who aren't undergrads? Who can they charge?

Answer: **Chair Burns** explained they can charge anyone who isn't an undergrad, the undergrad ticket profits just have to kick back to SGA for a refund

**Senator Eroglu** asked how much did the event cost last time

Answer: **Parliamentarian Rosenthal** stated they were not able to find if the 2019 show was approved in full. The one approved in 2020 was approved for 28,000 dollars on top of their 9,000 budget, which is similar to the money they are requesting now

**Senator Darrow** asked if we are allowed to approve an FR based on an estimate?

Answer: **Treasurer Mullenberg** said that most requests are estimates. The clubs go out and buy everything and then SGA gets the receipts and the money transfer occurs. We only reimburse them for what they spend after they purchase it.

**Chair Burns** is in favor, as long as there is no violation of bylaws. He thinks it is a great thing for campus and is a great message for SGA to help fund

**Chair Geary** is concerned about ticketing, BSU did not have an estimate of people attending or a ticket sales estimation. He believes ticketing would help offset the cost, but we don't have an estimate.

Answer: **Parliamentarian Rosenthal** stated it would only be about \$2,500 so it's not that much to offset

**Chair Burns** said that ticketing revenue is less impactful now then it is when they are getting reimbursed

**Senator Barry** is in favor, she thinks it's a great event and is something campus needs. She believes SGA could get lots of students to go to the event

**Senator Jain** feels like some of the estimates were higher end and it sets a bad precedent because they keep increasing their requests

**Parliamentarian Rosenthal** informed senate that it's actually less, they are asking for less than they did previously

**Chair Geary** asked how does it apply to us funding secondary performer

*The mission of SGA is to improve the quality of the undergraduate student life at the University both academically and socially by addressing student needs and concerns, providing financial structure of WPI's student clubs and organizations, and representing the student body in a professional manner.*

*Answer:* **Parliamentarian Rosenthal** stated there is nothing against it

**Vice-President Zeolla** stated the request had to do with a donation so this is fine

**Senator Charpentier** said if we gave them less they would be more inclined to do more fundraising. They have a lot of extra things that are not necessary so they should fund those themselves

**Senator Eroglu** said he would be in favor but most of the money is spent on one artist. If their goal is to enrich campus it would be good to know more about artist

*Answer:* **Senator Barry** said they had this performer at last show and had a good show

**Senator Gyurcsan** is in favor of asking for less money than 2020, in response to the performer he thinks it fits the goal of trying to immerse the campus with black culture. He is in support of this

**Senator Eroglu** is in favor, he thinks it is an enriching event that's good for campus

**Vice-President Zeolla** asked if the acrobats and facilities including in 25k

*Answer:* **Parliamentarian Rosenthal** said yes

A motion to vote was made by **Parliamentarian Rosenthal**

Request is passed
