Questions

1) Senator Tang clarified that the WPI academic terms consist of terms A,B,C,D & E, and would like to know if Senator responsibilities apply in E-term.

   a) Answer: President Cormier and Vice President Link are working in conjunction to organize this, keeping in mind the duration of their interim positions. Senators can expect an update regarding club constituents in D-term.

   a) Answer: Yes. They must first request permission to be added to the gr-sgaagenda group. Secretary Jerusal will then approve the request and they will receive all communication associated with that group.

   a) Answer: All senate minutes are published on the SGA website by the Secretary.

6) Chair Jacob asked if there is a rule regarding attendance tracking at Financial Board
