

DOUGHBOYZZ

COMMUNITY BREAKFAST SPONSORSHIP PROPOSAL

Prepared by

Justin Aमेvor

Benefit Director

Worcester, MA

WHAT WE DO

DoughBoyz

Hunger affects a significant portion of the Worcester Community. Roughly 13% of the Worcester population and 24% of students at WPI have trouble finding meals. The recent pandemic has only made matters worse. Many of these people need support from the community and DoughBoyz is looking to provide that support.

At community events, Doughboyz will prepare and distribute food, free of charge, to people in need. To help support us, sponsors can contribute money to help pay for the event or they can contribute the ingredient items themselves. Below you will find a list that details the costs of hosting a community breakfast as well as a list of the quantities of ingredients needed to feed different amounts of people. As DoughBoyz begins to learn and grow, we want to share our values outright with our customers and the public. Building a more inclusive and culturally responsible society is a group effort, and we hope to work with you in striving to achieve this. Your help is necessary in aiding to end food hunger in Worcester. The efforts of our mission can not take effect unless we have the support of everyone in our community.

If you would like to discuss the specifics of a community event, I would be more than willing to explain in more detail of its importance. You can contact me directly at jamevor@doughboyz.org. Refer to our website as well to learn more at <https://www.doughboyz.org>.

COMMUNITY
BREAKFAST
