# Contractors & Contracts and Funding

NANTUCKET DEPARTMENT OF PUBLIC WORKS

- **Currently the DPW does contract work to private contractors** when we are unable to provide our own assets and manpower.
- **Some private companies apply for licensure to excavate** on or along public and private ways. These contractors are hired by private citizens and some companies for a variety of projects, such as driveways, utility installation, home expansion, etc.
- Our **other arrangements are based on funding.** Capital Funds and General Funds.
- The **DPW General Fund is a pool of money allocated for our day to day operations.** They include small jobs and projects under a given amount. Contractors such as Victor Brandon for roads and Tom Hanlon for Parks are used frequently. Several others are used as well.
- **Capital Funds are larger multifaceted projects that require substantial funding and coordination** between town authorities/agencies and private contractors. Examples are the Children's Beach Pump House, reconstruction of major roads, and the reconstruction of the islands storm water system.

# How to Get Involved

NANTUCKET DEPARTMENT OF PUBLIC WORKS

- **Support the TIOLI (Take It or Leave It).** Operated by the DPW. Provides a way for Nantucket to reduce waste and offer used clothing, furniture and appliances for our citizens.
- **Support the Clean Team.** A private group that cleans select roads and beaches. Supported by the DPW by collecting the trash the group collects.
