

Hotels Available for May CARD Meeting

Hello all,

When we previously had our meeting at the National Center for Supercomputing Applications (NCSA), we reserved a block of rooms at the Hampton Inn on University Avenue, which is only a couple blocks from NCSA. However, most people stayed at a corporate partner hotel (understandably) and these are spread around the city. So, this year we do not plan to reserve a block of rooms for the CARD Spring Meeting.

Having said that, below are several options for your consideration. One factor for consideration is that I have reserved 10 parking spaces for the two days of the program. If you stay at the hotels below, they are walking distance to NCSA. Otherwise, the reserved spaces in the parking garage across (north) from NCSA are first come, first served.

Best regards,

Mark Lippi
