

## Meeting minutes 5/11/2012:

- Past week update
  - Connect with Economic Development to see if they have plans for area
  - EPWP – long term, submit project with start/middle/end, help with initial employment finances
- Heritage
  - Main connecting point for each part of proposal (tourism, agriculture)
  - Use resource library on 5<sup>th</sup> floor of 44 Wale
  - Continue to visit each meeting
- Land ownership
  - United Kingdom- people pay for a plot of land
  - City has program with all plot allotments – meet with Crispin or rooftop group
- Pedestrian bridge
  - Something needs to happen to accommodate M5 passage, not sure what
  - OMEV bridge should allow access past first boom, still problem with high voltage wire that is fences off
  - Last year's proposal shows access of the bridge without the fence
  - Need to talk to Valkenberg to potentially get access to the bridge
- Future plans
  - Show proposals as they develop more, near future
  - Visit library on 5<sup>th</sup> floor, 44 Wale
  - Look at TRUP.org to find useful resources
  - 9 November: TRUP Committee meeting, present what we are doing, goals, objectives, audience is knowledgeable of the area
    - Laptop and projector possible, not guaranteed
  - 16 November: Steering Committee meeting, PowerPoint presentation, want to impress those calling the shots, audience knows little about TRUP
