

Meeting Minutes 28/11/2012:

- Green Light Project/Driving Range
 - No representation of Residents Association on TRUP so Green Light Project came with the expectation they were representing the community
 - Discussed community meeting at MGV and the political dynamic emerging
 - Wednesday night: Residents Association with GLP, hopefully get more information on driving range plans
- Proposal
 - Crispin has made mostly comments on word usage
 - Heritage aspect looks good so far, using through tourism
 - No comments on redundancy yet
 - Horses: need to mention a more sturdy path for them or a separate one from the walking path
 - May want to include matrix of ideas regarding office space for community garden
 - Office space for farmer's market and tools
 - Stay away from containers
 - Consider as part of the new school
- Future plans
 - Visit Liesbeek Park – Juan and Crispin will make plans
 - Make final presentation to Ossie – Juan and Crispin will schedule
 - Make separate presentation to MGV community
 - Get quotes from the community about this project
 - Continue editing and writing the proposal
