

A Note From the Teacher

Incoming 1st Grade Summer Assignment

Dear Incoming 1st Grade Families,

I am excited to welcome your child to 1st Grade in August! This learning packet is filled with many reading, writing, and math activities. Over the summer, I strongly encourage you to set aside time for your child to work on these skills to ensure continued progress in 1st Grade.

Components:

- **Summer Practice Packet**

Great for helping your child keep their phonics, writing, and math skills sharp. Make sure to review the page with your child before they begin so they know how to complete each section.

- **My Summer Journal**

On the back of the cover page is a list of writing ideas. Please make sure this is in your child's own writing. They will illustrate their writing at the top of the page.

- **Read Your Way Into First Grade!**

Daily reading (whether on their own or listening to someone reading) is crucial in developing language skills, vocabulary, and writing skills. Included is a list of great summer reads!

Reading Response Sheets:

- Summertime Summarizing
- A Summery Book
- Sweet Summertime

These should be completed after reading *three different fiction books* at your child's reading and interest level.

This packet is due Tuesday, August 23.

Have a great summer and happy learning!

Blessings,

Ms. O
