Dear Ms. Navarro:

Your waiver application has been approved by both the Pasadena Public Health Department and the California Department of Public Health. The complete application was submitted to the Pasadena Public Health Department on November 16, 2020. This waiver allows in-person instruction for grades TK-2nd at your institution, as applicable, in compliance with your application and reopening plan as submitted. Please ensure your application components, including the protocols and attestations, are posted on your website and disseminated to students, parents, faculty and staff. They will also be posted on the Pasadena Public Health Department website.

Your attestation binds your school to follow the public health protocols as documented, in addition to all local and state Health Officer Orders. This waiver is discretionary and can be revoked for non-compliance with public health protocols at any time. For the purpose of outbreak control, you are expected to be prepared to suspend in-person operations and resume remote learning if directed to do so by the Pasadena Public Health Department.

We expect to maintain an ongoing conversation with schools that have reopened under the waiver process, so that we may continue to provide technical assistance and support. As community conditions change and science evolves, we may require you to revise your application and/or reopening plan and update your posted documents.

We truly appreciate your dedication to the educational mission and to adherence to public health protocols. Thank you for your continued efforts to reduce the spread of COVID-19 and to keeping our community as safe as possible during these challenging times.

Sincerely,

Ying-Ying Goh, MD, MSHS
Director and Health Officer
